First M.I. Last

Mailing Address:_____
Street City State

Phone Number:_____
Home/Cell Work

Email Address:_____

911 Address/Location of Road Entry:_____
Street City State

1. Culvert location, length and diameter will be specified by the precinct commissioner or their designee during a site meeting.
2. Applicant will provide the specified culvert. The county will provide labor, equipment and base for the installation of private entries.
3. Public and commercial entries will require the applicant to provide all materials, labor, equipment and installation to county specifications.
4. Applicant shall maintain the culvert and the county reserves the right to require any changes, maintenance or repairs as necessary to ensure adequate drainage and to provide protection of life or property on or adjacent to the roadway.
5. The applicant shall hold harmless the county and its duly appointed agents and employees against any action for personal injury or property damage sustained by reason of the exercise of this application or construction of the culvert entry.
6. Applicant shall not erect any sign on or extending over any portion of the right of way, nor shall the applicant erect any permanent structures on the right of way. Mail receptacle locations will be determined at the sight meeting and it is the applicant's responsibility to properly erect and maintain these structures.
