Re: Burnet Consolidated Independent School District Bond Election – November 5, 2019

Dear Elections Administrators:

Thank you for cooperating with the District as it plans its upcoming bond election.

Please accept this letter and the Notice of Election (in English and Spanish) as evidence of compliance with Section 4.008(a) of the Texas Election Code that the District will conduct a bond election on November 5, 2019. It is my understanding that you have already received the relevant ballot language for this election.

As the Elections Administrator of your respective counties, you perform the duties and functions placed on the County Clerk pursuant to Section 31.043 of the Texas Election Code. Nonetheless, to confirm compliance with Section 4.008, I have copied the appropriate County Clerks.

Later, I will contact you to determine your preference for posting copies of the Notice of Election in the polling places under Section 4.003(f)(1) of the Election Code. I am happy to supply multiple copies in the format of your choice.

Thank you, in advance, for your attention to this matter.

Very truly yours,

Rosemarie Kanusky
