170 S Gabriel St.
Bertram, TX 78605

VIRTUAL OPEN HOUSE

 **May 28 – July 8, 2024**

 To access the online materials please visit bit.ly/NEBCTransportationStudy

CAMPO and Burnet County are working together to identify transportation needs and develop recommendations for improvements to roadways in northeast Burnet County. The project team is hosting an open house to share recommendations for potential transportation improvements for community review and feedback.

Comments from the public regarding the potential transportation improvements are requested and may be submitted by any of the methods below. All comments must be received or postmarked by **July 8, 2024**. Printed open house materials can be requested by calling **512-651-3964**. A postage paid envelope is included to return the survey by mail.
