Thank you for Q&Q, but still is not clear for me that Solicitation Posting Date is 10/9/2024 and conference on 10/8/2024? Refer to the schedule on page 7, the documents were posted to the county website before the last solicitation ran in the newspaper. If you would like to view the building you can do so by calling the Purchasing Office (512) 756-5495 and scheduling a time to come by.
